ORDINANCE NO. 38

AN ORDINANCE amending sections one, two, three, four, five, six, seven, eight, thirty-two and forty-seven of Ordinance No. 37, entitled "AN ORDINANCE repealing ORDINANCE No. 37, and creating a Board of Light and Water Commissioners for the City of Yale, and providing for the appointment of the members of said board, and the duties, powers, and jurisdiction of said board, and the preservation and control of the electric light and waterworks system of the City of Yale, and creating a Board of Light and Water Commissioners and providing for the appointment of the members of said board and of a secretary thereof, licensing plumbers, pipe fitters, electricians and linemen, and establishing rules, regulations and penalties for the government, care, protection, preservation and control of the electric light and waterworks system of the City of Yale, said ordinance to stand and be designated as Ordinance No. 38 of the ordinances of said City."

The City of Yale Ordinance: Section 1.—The City of Yale ordains that there shall be a Light and Water Commission consisting of one member.

Section 2.—The Mayor of the City of Yale, by and with the consent of the Common Council of the said city, shall appoint a commissioner, who shall be a qualified elector of the said city, and whose term of office shall terminate on the first Monday in May of the year nineteen hundred and twelve, and that at the first regular meeting of the said city after the expiration of the term of office of the said commissioner, the said commissioner shall be known as the Light and Water Commissioner of the said city. And that such commissioner shall take the oath of office provided for city officers, and otherwise qualify for the said office as hereinafter provided, within ten days from the date of his appointment, in default of which, the said appointment shall be considered null and void. And that the said commissioner shall be known as the Light and Water Commissioner of the said city, by and with the consent of the Common Council of the said city, shall appoint a new commissioner at the next regular meeting of the Common Council.

Section 3.—That the said commissioner shall have the care and control of the electric light and waterworks system of the said city and shall enforce such rules and regulations as the Common Council of the said city, or the said commissioner shall prescribe in relation thereto and that such commissioner may employ such persons and purchase such material as he shall deem necessary for the operation and maintenance of the said systems.

Section 4.—That the said commissioner, before taking up the duties of his office shall execute a bond, running to the City of Yale, in a penal sum to be fixed by the Common Council of the said city, with at least two sureties, who shall justify their responsibility, and shall also be approved by the Common Council of the said city, the conditions of such bond being that the said commissioner shall turn over to the city treasurer all moneys coming into his hands, and shall faithfully perform all of the duties of his office as outlined and directed in this ordinance. And that the Common Council of the said city shall deem it necessary and for the best interests of the said city, it shall appoint a secretary for the said Light and Water Commissioner, which secretary shall perform the clerical duties connected with and pertaining to the said office of Light and Water Commissioner, and who shall give bonds in an amount and with double sureties to be approved by the Common Council of the said city, and the said secretary shall receive for his services a salary of not more than \$100 per annum, to be paid by the Common Council of the said city.

Section 5.—That the said commissioner or his agent, if a secretary shall be appointed by the Common Council of the said city as above provided, shall keep suitable books and records similar to those in use by the Light and Water Board at the time of the passage of this ordinance and shall keep a correct and detailed record of his acts and doings as such commissioner and give reports of such acts and doings to the Common Council of the said city, when called upon to do so. To this end, it shall be his duty to attend any meeting of the Common Council of the said city on being given twelve hours previous notice to that effect. The said commissioner shall be entitled to all powers and duties which are now delegated to the Light and Water Commission of the City of Yale under the said Ordinance No. 37 of the ordinances of said city. The said commissioner shall issue and cancel permits for the use of electric lights and water in said city and shall keep a correct and detailed record of such issuances and cancellations in separate books provided for such purposes, and at the end of each month the said commissioner shall pay over to the city treasurer of the said city all moneys collected by him and the said city treasurer shall issue to the said commissioner duplicate receipts for all moneys so turned over to the said city treasurer, and the said commissioner shall on or before the first Monday of each month, make and file with the city clerk of the said city a verified written report of all light and water permits issued and cancelled, with the dates thereof, and of all moneys received by him and paid over by him to the said city treasurer, with the dates of such receipts and payments, together with one of the duplicate receipts of the city treasurer therefor; and of all expenses incurred by the said commissioner in operating and maintaining the said light and water systems; and a statement of the amount of the balance remaining in the Light and Water fund of the said city. That all other sections of Ordinance No. 37 shall be construed so as to harmonize with this amendment and all parts of the said Ordinance No. 37 inconsistent herewith are hereby repealed.

Section 6.—That the first sentence of section thirty-two of the said Ordinance No. 37 shall be amended to read as follows: "The use of hand hose when actually held, guided or directed by the hand or hands of some person is permitted during all hours of the day for any of the purposes mentioned in the permit, to-wit: sprinkling streets, yards and gardens, washing sidewalks, walks, steps, windows and fronts and sprinkling lawns, yards and gardens, but under no circumstances is prohibited excepting during the hours between six o'clock and nine o'clock in the morning and five o'clock and eight o'clock in the afternoon, local time being the official time."

Section 7.—That the paragraph under the heading "Meter Rates" in section 17 of the said Ordinance No. 37 shall be amended to read as follows:

2,000 cubic feet or less per month, per 100 cubic feet, 10c
Over 2,000 cubic feet per month, per 100 cubic feet, 35c

All rates not herein enumerated shall be proportioned to the water consumed, and all rates and rates shall be determined by the Light and Water Commissioner.

Passed, approved and adopted this, the 3rd day of April, A. D. 1911.
